By April 2020, Vietnamese government has applied social distancing campaign of thousands of people in different cities and provinces nationwide as Covid-19 pandemic takes center stage. Therefore, thousands of medical staffs, soldiers and volunteers are undertaking extremely huge workloads with pressures, while ensuring the normal living conditions of citizens with virus infection prevention and control standards. Vietnamese citizens and foreigners are encouraged to stay positive and healthy mentally, this can be also counted as a contribution to the protection of their family, community and society.

"Vinasoy has always wanted to accompany with Vietnamese government, departments, social organizations, medical staffs and all citizens to fight against the Covid-19 pandemic. We hope the healthy nutrition from Vinasoy products can provide good health and motivate people in the quarantine area. Together with the motto "healthy bones, healthy lifestyle", we shall win this difficult war", shares by Mr. Ngo Van Tu, CEO of Vietnam Soya Products Company.

Vinasoy has mobilized its distribution system to directly supply 1 million boxes of soymilk to the medical staffs and thousands of people across 35 quarantine locations nationwide. Quarantine locations include Bac Giang, Quang Ninh, Ha Long, Ha Noi and Ninh Binh in the North, Quang Binh, Quang Tri and Thua Thien Hue, Quang Ngai, Nghe An in the Central, and Ho Chi Minh, Binh Duong, Tay Ninh and Can Tho in the South.
