The nutraceutical event for Asia

Co-located with Fi Asia the event will host nutraceutical leaders and innovators from 20 - 22 September 2023

[Vitafoods Asia 2023](#), Asia's Leading Dietary Supplements & Ingredients Show is scheduled from 20 - 22 September 2023 at Queen Sirikit National Convention Center (QSNCC) in Bangkok, Thailand, co-located with Fi Asia.

VitafoodsAsia 2023 is committed to unlock new business opportunities and stimulate growth in the dynamic nutrition field, providing an unparalleled opportunity to connect with 350+ nutraceutical leaders and innovators. The event is an ideal platform to source new ingredients, expand your network, or stay up-to-date on the latest trends and innovations, Vitafoods Asia 2023 has everything one needs to take their business to the next level.

In 2011, Vitafoods Asia launched in Hong Kong with an ambition to shape the food industry for optimal health through science and innovation. Health and nutrition exhibitions and networking events provide the perfect environment for businesses to flourish, forge long-term collaborations, enhance their understanding, and initiate critical conversations about the most pressing issues of the day.

Approximately 8,000 business leaders from the nutraceutical and food and beverage industries are expected to attend to source the most innovative and best quality ingredients, dietary supplements and services. This provides industry professionals with access to exclusive experiences, insights and networking opportunities than ever before.

Covering four key sectors of the nutraceutical industry

Vitafoods Asia covers the entire nutraceutical supply chain from start to finish, across four sectors. Vitafoods Asia is able to assist in responding to consumer demand and achieving objectives from ingredient to shelf, whether it is finding new suppliers, purchasing services, or promoting a brand.

Ingredients & Raw Materials: From Algae to CBD and beyond, the Ingredient & Raw Material show area showcases innovative and trending ingredients and raw materials. This is your opportunity to connect with hundreds of global suppliers.

Branded Finished Products: Source the latest, most innovative functional foods and beverages in the market in the Branded Finished Products show area, bringing buyers, distributors, retailers and suppliers together online and in-person.

Contract Manufacturing & Private Label: Kick-start or grow your business with market-ready private and white-label business opportunities. In the Contract Manufacturing & Private Label area you can explore bespoke product development solutions that best suit your needs.

Services & Equipment: The Services & Equipment area gives you access to technical and regulatory advice. Get your questions answered by technical experts and find innovative solutions to help your business thrive.
