In the year of the rabbit, La Patisserie by Sheraton Surabaya introduces a delicious collection of baked mooncakes with a new flavour of durian and a healthier low-sugar selection

In celebration of the upcoming Mid-Autumn Festival 2023, Sheraton Surabaya Hotel & Towers unveiled an enchanting premium mooncake collection with a variety of classic, delicious and low-sugar options. This delightful range of baked mooncakes by La Patisserie is available in two lavish and philosophy-rich packaging selections, namely the Full-Moon and Moon Rabbit, adding a unique and meaningful touch to celebrate this year's tradition with loved ones.

This year, La Patisserie's Mooncake collection combines the richness of tradition with a touch of innovation. Not only does the baked Mooncake collection carry an authentic palate, but it also comes with a new mouth-watering flavour, 'Durian' and low-sugar mooncakes option.

Birgitta Mone, Director of Marketing Communication at Sheraton Surabaya Hotel & Towers and Four Points by Sheraton Surabaya, expressed, "We are inviting all guests and everyone to lighten up and complete these festive moments with their beloved families, friends, and relatives with our most sought-after premium mooncakes by La Patisserie Sheraton Surabaya. Each element presented in this collection, from the choices of flavours, colours and the wrapping packages, is meticulously and genuinely selected, representing a deep cultural meaning."

There are seven alluring authentic flavours, namely Matcha, Coffee Mocha, Portuguese Custard, White Lotus, Tausa (Red Bean) and Black Sesame. For those who are living a healthier lifestyle, La Patisserie also offers low-sugar mooncake options in White Lotus, Tausa (Red Bean), and Black Sesame, allowing them to savour the premium cakes with a worry-free mind. These rich, sweet, and soft premium mooncakes are available in two choices of elegant yet philosophical packaging: Full-Moon and Moon Rabbit, portraying the close-to-heart symbols and meaning of the Mid-Autumn festival tradition.
