NuZee, Inc. a leading coffee co-packing and Technology Company, announcedÂ Randell WeaverÂ has been appointed to serve as the company's President and Chief Operating Officer, effective immediately. As President & COO, Weaver will have responsibility for all U.S. operations. Weaver joined the company inÂ August 2023Â as Chief Financial Officer and will also continue to serve in that role.

Weaver has more than 30 years of well-rounded manufacturing, distribution, and CPG experience with three prior terms as a public company President, COO or CFO and demonstrated success in cash management, fundraising, building and mentoring staff, structuring financing options, optimising performance, growth, strategic planning and relationship management

Before joining NuZee, Weaver served as Chief Financial Officer of Reinvention Unlimited, Inc, providing financial and operational management, mentoring and executive oversight services for international manufacturing and distribution clients with a focus on regulated industries in food, pharmaceuticals and contracting. Before that, he held several key positions, including CFO of a publicly held CPG manufacturing and distribution company with international operations and units in baked organic baby foods, nutritional supplements, and highly regulated cannabis products.
