Evolution Capital Partners announced the latest milestone in its growth strategy with the acquisition of Crandall Corporate Dietitians by its portfolio company, DiningRD. This strategic acquisition marks a significant expansion for DiningRD and underscores Evolution Capital Partners' commitment to investing in companies that are leaders in their respective fields.

Crandall Corporate Dietitians, of Mesa, AZ, will now join forces with DiningRD, of St. Louis, both prominent players in dietary consulting and food service software for senior living. Linda Crandall, founder, is a recognised pioneer and industry veteran in the field of dietary care for seniors. This acquisition aligns with Evolution Capital Partners' mission to enhance its portfolio companies' capabilities and market reach, providing innovative solutions to meet the evolving needs of its clients.

Susan Williamson, Managing Partner at Evolution Capital Partners, commented: "We are excited to support DiningRD in this strategic move. Crandall Corporate Dietitians is DiningRD's eighth acquisition. The company's exceptional reputation and legacy perfectly complement DiningRD's strengths, creating a powerful national platform for growth and innovation. This acquisition is a testament to our focus, backing companies that are poised to make a significant impact in their industries."
