Green House, in collaboration with Sumitomo Corporation, will establish a new Special Purpose Vehicle (SPV) to acquire a 20 per cent stake in Epicure Catering

Green House, in collaboration with Sumitomo Corporation, will establish a new Special Purpose Vehicle (SPV) to acquire a 20 per cent stake in Epicure Catering

Dusit Foods, a subsidiary of Dusit International, one of Thailand's leading hotel and property development companies, has signed a strategic partnership agreement with Green House Co., Ltd, a prominent player in Japan's food industry, to accelerate the growth of Epicure Catering Co., Ltd., a leading provider of food and beverage services to the international school sector in Thailand, to expand Epicure's current operations and broaden its reach to include healthcare facilities, corporate clients, and airlines, both domestically and internationally.

As part of the agreement, Green House, in collaboration with Sumitomo Corporation, will establish a new Special Purpose Vehicle (SPV) to acquire a 20 per cent stake in Epicure Catering. Dusit Foods will retain a 70 per cent share, with the remaining 10 per cent held by existing Epicure shareholders.

Green House brings over seven decades of expertise in food services across corporate, healthcare, and education sectors, restaurant and ready-to-eat food management, health service applications, kitchen consulting, and food distribution. Serving over a million meals daily, Green House offers more than 4,000 menu items crafted to meet the highest standards of quality and safety through the HACCP (Hazard Analysis and Critical Control Points) framework.
