This new frothy coffee brings together two iconic brands, blending the signature coffee and velvety froth of Nescafé® with the irresistible rich chocolate and wafer flavour of KitKat

In a move that's sure to delight coffee and chocolate lovers across New Zealand, Nescafé® and KitKat have teamed up to launch a NEW frothy coffee – Nescafé® Mocha inspired by KitKat.

This new frothy coffee brings together two iconic brands, blending the signature coffee and velvety froth of Nescafé® with the irresistible rich chocolate and wafer flavour of KitKat.

The single-serve sachets are perfect for those looking to stir up their coffee breaks - anywhere, anytime.

Spilling the beans on the launch, Nestlé® Head of Marketing New Zealand, Fern Castellanos said, "This indulgent new collab is the perfect pairing of Nescafé® coffee with the iconic chocolate and wafer flavour of KitKat. It is sure to delight Kiwi coffee lovers who seek out rejuvenating breaks for 'me time' with a coffee in hand."

Nescafé® Mocha, inspired by KitKat, is available this month at Woolworths, New World, The Warehouse stores nationwide, and PAK'nSave North Island.
