Coca-Cola Bottler HCCB Plans Rs 1,127 Crore Investment in Andhra Pradesh, India

23 November 2026 | News

Government Order handed over during the CII Partnership Summit 2026

Hindustan Coca-Cola Beverages Private Limited (HCCB), a subsidiary of Hindustan Coca-Cola Holdings Limited, received a Government Order (GO) from the Government of Andhra Pradesh for a proposed investment of Rs 1,127 crore in the food processing sector during the 31st edition of the CII Partnership Summit 2026 held in Visakhapatnam.

The GO was handed over by N. Chandrababu Naidu, Chief Minister of Andhra Pradesh, to Avinash Kant Kumar, Head - Integrated Supply Chain, Hindustan Coca-Cola Beverages (HCCB), in the presence of senior government officials and industry leaders.

The announcement was made at the 31st edition of the CII Partnership Summit 2026, Andhra Pradesh's flagship investment summit, which brought together policymakers, industry leaders, investors and business representatives from India and across the world to explore opportunities for economic growth, industrial development and investment partnerships.

Reflecting on the significance of the Government Order, Avinash Kant Kumar, Head – Integrated Supply Chain, Hindustan Coca-Cola Beverages (HCCB), said, “Andhra Pradesh has been an important part of Hindustan Coca-Cola's journey in India for more than two decades. Through our bottling operations, partnerships, and community initiatives, we have had the opportunity to grow alongside the state and contribute to its development. We are grateful for the continued support of the Government of Andhra Pradesh and the confidence it has placed in us through this Government Order. We look forward to strengthening our presence, creating shared value, and continuing to contribute to Andhra Pradesh's growth story in the years ahead."

Hindustan Coca-Cola Beverages (HCCB) has maintained its presence in Andhra Pradesh through its facilities in Atmakuru, Guntur district, and Srikalahasti, Tirupati district. These facilities contribute to the company's bottling operations, supporting beverage production and distribution across the region. The proposed investment further reinforces Hindustan Coca-Cola Beverages’ commitment to supporting industrial development and economic growth in the state.
