

## Aust/NZ packaging innovations win WorldStar awards

10 December 2018 | News

**The wins were across three categories, Beverage, Food and Domestic & Household**

Three Australian companies and one New Zealand Company have achieved international recognition for their packaging designs in the WorldStar Packaging Awards. The winning companies include Caps and Closures for Precise Pour, ILNAM Estate for 8 Kangaroos, Lactote for POLATOTE and Radix Nutrition for their Foil Packaging Breakfast Pouch.

The wins were across three categories, Beverage, Food and Domestic & Household. Radix Nutrition is the first New Zealand company to be awarded a WorldStar Packaging Award for the Food Category.

This international recognition follows on from recent wins in the 2018 Packaging Innovation & Design (PIDA) Awards which are run by the Australian Institute of Packaging (AIP) and Packaging New Zealand. The PIDA Awards are the exclusive feeder program for Australia and New Zealand into the WorldStar Packaging Awards.
